3-YEAR-OLD BOY SCALDED TO DEATH

SON OF MR. AND MRS. FRED PET-
ERSON SUFFERS TER-
RIBLE DEATH

Darell Peterson, the three-year-old son of Mr. and Mrs. Fred Peterson, residing near Tacoma Park, suffered a horrible death last Wednesday when he fell into a pail of hot water and was scalded to death.

The little fellow was playing about the house, and stumbled and fell into the pail of hot water, which was sitting near the stove. He was burned from his feet to under his arms.

The little fellow was rushed to Ab-erden for medical attention, but the burns were so bad that he expired Friday afternoon. The funeral was held Saturday.

Mr. and Mrs. Peterson once resided in the neighborhood of Putney, and have many friends in that section who deeply deplore their loss.
